

4CSD

California Community Council for Staff and Organizational Development President/Chancellor Letter of Support for Board Seat

The California Community College Council for Staff and Organizational Development (4CSD) is an organization that provides training resources and networking opportunities for staff development professionals of the California community colleges.

Among the many services it provides, 4CSD:

- Advocates at the state level for funding and other support for professional development programs and serves as a liaison between the State Chancellor's office and the colleges regarding professional development issues.
- Promotes leadership in staff, program, and organizational development.
- Provides education for the staff developers regarding the principles of staff and organizational development.
- Provides training in developing, implementing, and evaluating effective staff development programs.
- Provides regional and statewide workshops and conferences.

The following employee at your college has submitted an application to serve on the 4CSD board for the term July 1, 2020– June 30, 2022.

Name

Title

4CSD bylaws require that all candidates for a board seat secure support from their College President or District Superintendent. This support includes providing the resources necessary for the fulfillment of board-related duties. This support is in the form of telephone, email and mail privileges, and reasonable release time from teaching and/or office schedules to participate in 4CSD activities and meetings. The Board member's college must also maintain institutional membership in 4CSD during their tenure on the Board.

Yes, I am in support of _____ joining the 4CSD board for 2020 – 2022 and agree to provide the resources and support outlined above.

President/District Superintendent Signature
